Most Records Fall In Grade Track Meet

New meet records were set in all but one event at the annual Optimist Club Grammar School Track Meet at Torrance High stadium last Saturday—and a new record may have been set in that event, but the official time was not recorded. Outstanding new mark of the annual grade school event was made by Bob Putnam, who erased the old shot-put mark of 30 ft. 3 in. with a record heave of 40 ft. 7 in.

The broad jump mark was raised three inches, the high jump mark two inches, three tenths of a second was dropped off the 100-yard dash time, two tenths of a second off the 180-yard run, and two and five tenths seconds off the quarter mile.

All previous meet records were set at the 1952 meet.

100 YARD DASH—1, Don Kelley; 2, Bruce Roben; 3, Bob Putnam; 4, Mike Gonta; 5, John Rocaforst; 11.84 (New meet record, Old record, 11.94 set by Skippy Smith, 1952).

Olympic Films To Be Shown

Motion pictures of the 1952 Olympic Games will be shown at El Camino College in the last of the year's Lecture-Forum series to be held on Tuesday evening, June 2, in Administration Building, room 8.

Chairman John Hartley said Coach Uro E. Saari, swimming instructor for the teams of El Segundo High School and El Camino College, accompanied the United States entry to the games in Helsinki and has obtained films of various athletic events there.

The water polo team, under Saari's tutelage, won third place for the United States in the Olympics. Two El Camino students, Bill Dornblaser and Bill Lake were on that squad.

Hartley said Saari would include in his talk a discussion of his reactions to the representatives of other nations represented at the 1952 Olympiad. A question-and-answer period will follow the showing of the film and Saari's talk at 7:30 p.m.
